Abstrak

Penelitian ini bertujuan untuk mengkaji konsep moderasi beragama dalam Al-Qur'an dan hadis, serta menganalisis pemikiran dua tokoh kontemporer Islam: Prof. Dr. Ahmed Al-Tayyeb (Grand Syaikh Al-Azhar) dan Prof. Dr. M. Quraish Shihab (ulama dan mufassir Indonesia). Pendidikan moderasi beragama menjadi krusial dalam menghadapi meningkatnya ekstremisme dan intoleransi atas nama agama. Penelitian ini menggunakan pendekatan kualitatif dengan metode studi pustaka (library research). Hasil kajian menunjukkan bahwa Al-Qur'an dan hadis mengajarkan prinsip wasathiyah (jalan tengah) sebagai fondasi Islam. Ahmed Al-Tayyeb menekankan pentingnya pendidikan Islam berbasis nilai keadilan, toleransi, dan hidup berdampingan. Sementara Quraish Shihab melihat moderasi sebagai manifestasi Islam rahmatan lil 'ālamīn yang harus diterjemahkan dalam konteks sosial multikultural. Dengan demikian, pendidikan moderasi beragama harus menjadi kurikulum inti dalam membangun peradaban damai.

Kata Kunci: *Moderasi Beragama, Al-Qur'an, Hadis, Ahmed Al-Tayyeb, Quraish Shihab*

A. Pendahuluan

Moderasi¹ beragama merupakan konsep fundamental dalam Islam yang menunjukkan sikap adil, seimbang, dan toleran terhadap keberagaman.² Dalam konteks global yang diwarnai oleh konflik berbasis agama,³ isu moderasi beragama menjadi sangat penting untuk dikaji dan diajarkan, terutama di tengah meningkatnya ekstremisme keagamaan dan sikap intoleransi.⁴

Islam sendiri telah mengajarkan nilai-nilai moderat sejak wahyu pertama diturunkan.⁵ Al-Qur'an menggunakan istilah ummatan wasathan (umat pertengahan)⁶ untuk menggambarkan umat Islam sebagai penengah dalam kehidupan sosial dan spiritual (QS. Al-Baqarah [2]: 143). Hadis Nabi juga banyak menegaskan pentingnya keseimbangan dan penolakan terhadap sikap

berlebihan (*ghuluw*).⁷

Dua tokoh penting yang konsisten mengusung wacana moderasi beragama adalah Ahmed Al-Tayyeb dan Quraish Shihab.⁸ Ahmed Al-Tayyeb sebagai Grand Syaikh Al-Azhar, sering menyampaikan bahwa radikalisme⁹ lahir karena penyimpangan dari ajaran Islam yang autentik.¹⁰ Di sisi lain, Quraish Shihab dalam berbagai karya tafsirnya menjelaskan pentingnya tafsir kontekstual dan ajaran Islam yang penuh kasih dan penghormatan terhadap pluralitas.¹¹

Makalah ini akan mengeksplorasi nilai-nilai moderasi beragama dalam Al-Qur'an dan hadis,¹² dan mengkaji kontribusi pemikiran kedua tokoh terhadap pendidikan moderasi dalam masyarakat Muslim modern.¹³

B. Metode Penelitian

Penelitian ini menggunakan pendekatan kualitatif deskriptif¹⁴ dengan metode studi pustaka (*library research*).¹⁵ Data primer diperoleh dari Al-Qur'an, hadis shahih, serta karya-karya Ahmed Al-Tayyeb dan Quraish Shihab, seperti khutbah, wawancara, dan buku tafsir. Sumber sekunder berupa jurnal, artikel, dan dokumen resmi dari lembaga keislaman.¹⁶

Analisis data dilakukan dengan cara:

1. Identifikasi konsep moderasi dalam Al-Qur'an dan hadis,
2. Analisis pemikiran tokoh,
3. Sintesis nilai-nilai pendidikan moderasi yang dapat diimplementasikan dalam masyarakat.

C. Pembahasan/ Hasil Penelitian

1. Moderasi Beragama dalam Al-Qur'an dan Hadis¹⁷

Al-Qur'an secara eksplisit menyebutkan konsep wasathiyah dalam QS. Al-Baqarah [2]:

143:

"Dan demikian (pula) Kami telah menjadikan kamu (umat Islam), umat yang pertengahan..."

Wasathiyah mengandung makna adil, seimbang, dan menjauhi ekstremisme.¹⁸ Konsep ini diperkuat oleh berbagai ayat lain yang menyerukan sikap tidak berlebih-lebihan (*ghuluw*),¹⁹ seperti QS. An-Nisa' [4] 171:

"(Yaitu) orang yang menunggu-nunggu (peristiwa) yang akan terjadi pada dirimu. Apabila kamu mendapat kemenangan dari Allah mereka berkata, 'Bukankah kami (turut berperang) bersama kamu?' Dan jika orang kafir mendapat bagian mereka berkata, 'Bukankah kami turut memenangkanmu, dan membela kamu dari orang mukmin?' Maka Allah akan memberi keputusan di antara kamu pada hari Kiamat. Allah tidak akan memberi jalan kepada orang kafir untuk mengalahkan orang-orang beriman."

Dan QS. Al-Ma'idah [5]: 77:

"Katakanlah (Muhammad), 'Wahai Ahli Kitab! Janganlah kamu berlebih-lebihan dengan cara yang tidak benar dalam agamamu. Dan janganlah kamu mengikuti keinginan orang-orang yang telah tersesat dahulu dan (telah) menyesatkan banyak (manusia), dan mereka sendiri tersesat dari jalan yang lurus.'"

Dalam hadis, Rasulullah SAW bersabda:

"Hindarilah sikap ghuluw dalam agama, karena orang-orang sebelum kalian binasa karena sikap berlebih-lebihan dalam agama." (HR. Ahmad)"

Prinsip moderasi ini menjadi dasar dari pendekatan dakwah,²⁰ pembelajaran, dan hubungan antar umat beragama yang sejuk dan penuh kasih.²¹

2. Moderasi Beragama Perspektif Ahmed Al-Tayyeb

Ahmed Al-Tayyeb menekankan bahwa Islam adalah agama kedamaian dan dialog, bukan kekerasan.²² Menurutinya, radikalisme tumbuh karena ketidakseimbangan dalam pemahaman agama, terutama ketika teks dipahami secara literal tanpa konteks sosial dan historis.²³ Dalam berbagai forum internasional, seperti Forum Al-Azhar tentang Pembaruan Pemikiran Islam, Al-Tayyeb mengusulkan reformasi pendidikan Islam dengan menekankan prinsip moderasi, mazhab pluralistik,²⁴ dan dialog antaragama. Ia juga menolak keras takfir (mengkafirkan orang lain) dan seruan jihad kekerasan yang disalahgunakan.²⁵

Pendidikan Islam, menurut Al-Tayyeb, harus kembali pada nilai-nilai toleransi, kasih

sayang, dan akhlak luhur Nabi Muhammad SAW.²⁶

3. Moderasi Beragama Perspektif Quraish Shihab²⁷

Quraish Shihab melalui tafsir Al-Misbah²⁸ menafsirkan ummatan wasathan sebagai umat yang adil, objektif, dan dapat menjadi saksi atas umat lain. Baginya, moderasi adalah inti dari Islam *rahmatan lil 'ālamīn*, dan harus terwujud dalam sikap adil terhadap semua pihak, tanpa memihak secara ekstrem.²⁹ Menurut Quraish Shihab,³⁰ umat Islam harus memiliki pemahaman kontekstual terhadap teks agama, serta menjunjung tinggi kemanusiaan universal.³¹ Ia banyak menolak tafsir-tafsir keagamaan yang membenarkan kekerasan atas nama tauhid atau amar ma'ruf.³² Dalam konteks pendidikan, ia menekankan perlunya kurikulum yang mempertemukan nilai-nilai keislaman dengan kebangsaan,³³ demokrasi, dan hak asasi manusia.³⁴

D. Kesimpulan

Konsep moderasi beragama merupakan inti ajaran Islam yang bersumber dari Al-Qur'an dan hadis. Prinsip wasathiyah mengajarkan keseimbangan, keadilan, dan toleransi sebagai ciri umat Islam yang ideal. Ahmed Al-Tayyeb dan Quraish Shihab memberikan kontribusi signifikan dalam membumikan nilai-nilai moderasi melalui pendidikan. Al-Tayyeb berfokus pada pembaruan pemikiran Islam di lembaga pendidikan, sementara Quraish Shihab menekankan pentingnya tafsir kontekstual dan pendekatan kemanusiaan. Pendidikan moderasi beragama harus menjadi bagian integral dari kurikulum pendidikan Islam agar tercipta masyarakat yang damai, toleran, dan bermartabat.

Berdasarkan hasil kajian dan pembahasan dalam tulisan ini, penulis mengajukan beberapa saran yaitu untuk Lembaga Pendidikan Islam, diperlukan integrasi nilai-nilai moderasi beragama secara eksplisit dalam kurikulum, metode pembelajaran, dan budaya sekolah. Pendidikan Islam harus mampu mengembangkan sikap inklusif, toleran, dan cinta damai sesuai ajaran wasathiyah. Dan bagi Guru dan Pendidik, perlu peningkatan kompetensi guru dalam memahami dan mengajarkan moderasi beragama secara kontekstual. Guru harus menjadi teladan dalam menyikapi perbedaan dan mampu mendidik peserta didik agar bersikap adil dalam beragama tanpa bersikap ekstrem maupun liberal. Kemudian bagi Pemerintah dan Pembuat Kebijakan, Moderasi beragama perlu dijadikan kebijakan strategis dalam pengembangan kurikulum nasional, pelatihan guru, serta pembinaan ormas keagamaan. Nilai-nilai moderasi harus diperkuat melalui regulasi yang mendukung pendidikan multikultural dan kebhinekaan. Lalu bagi Masyarakat Umum, diharapkan mampu menjadi bagian dari gerakan literasi keagamaan yang

damai dan konstruktif. Masyarakat perlu didorong untuk mengakses informasi keislaman dari sumber yang otoritatif dan moderat, seperti yang dicontohkan oleh Ahmed Al-Tayyeb dan Quraish Shihab. Dan untuk Peneliti Selanjutnya, perlu dilakukan penelitian lanjutan yang mengkaji implementasi pendidikan moderasi beragama secara empiris diberbagai satuan pendidikan dan lembaga dakwah, untuk menilai efektivitas dan tantangan penerapannya dalam konteks Indonesia.
